Students must be on track to attend a non-profit, Bachelor's Degree Granting Institution full-time within the next two years.

INFORMATION

- ❖ **Affordable Care Act (ACA)** increases your eligibility for health care benefits. The goal of ACA was to make health insurance available for all as well as affordable. Ever since this was passed back in 2010 health care providers are not able to turn down service due to pre-existing health complications or because the care being provided is becoming more expensive.
- ❖ **California Youth Connection** is a youth led organization that seeks to transform the foster care system through legislative and policy change.

Empowering foster youth ages 14-24 to build leadership skills and forge supportive relationships while simultaneously being able to advocate for child welfare reforms that impact their lives.

- ❖ **Information on Extended Foster Care** provides an opportunity for young adults who were previously in former foster care the ability to continue receiving foster care services after the age of 18. Eligible youth who do not want to participate in the program have until the age of 19 to voluntary request to participate. Services include case management, transitional living services, medical, dental, foster care placement or supervised independent living setting placement.
- ❖ **The Chafee Grant** is an educational grant specifically for former foster youth attending college.
- ❖ **United Friends of the Children** is a program that does its best to support its students in as many ways as they can. They offer a variety of resources such as one-on-one support from a college counselor, fun bonding events and activities, career discovery and development, persistence grants to assist with unforeseen financial emergencies, and post-graduation planning assistance.
- ❖ **Youth Center on Highland: Los Angeles LGBT Center** assist with housing, breakfast, lunch, dinner, snacks, showers, clothing and laundry services, education program, HIV testing and counseling, employment program, computer lab, housing referrals, recreational activities, art/music groups and counseling and support groups.
